Alias in green is from the new registration form (google form).

Alias in white are from cas scoring registration, and are not updated with the information we have asked for in the new form.

We ask all participants to check if the entry is correct.

If your alias listed here is white, and you want to make any changes, you will need to register in the google form.

If you need us to take your other activities into account, when giving you a slot time on the long range, you will need to register in the google form.

It is possible to register for 6 long range events in the new form.
