

# New information to all shooters for DOT 2024

## **Ammo count DOT2024**

Main Match: 120 pistol, 120 rifle, 45+ shotgun

Wild Bunch: 161 pistol, 49 rifle, 44 shotgun

Plainsman: 40 pistol, 30 rifle, 10 shotgun

Derringer Match: 18 pistol

If you shoot the warm up and speed you will need more.

# It will be possible to empty brown and black water in a container at the camping ground.

# There will be toilets at the campground and at the shooting range.

# There will be a fresh/drinking water tank at the campground for the campers to refill their own bottles/tanks.

# There will be showers for men and for women. There will be hot water but no guarantee how long that will last. First come first served.

# It is possible to change propane bottles in Torsby, but they only have the Swedish connection on their bottles.

On your way, coming to Torsby, you can fill up any European propane bottle in Karlstad. They have adapters to fill up any European bottles.

Their address is: Gasolfyllarna, Fjärrviksvägen 6, 653 50 Karlstad

Their phone number is: 0046 (0)54 774 50 44, webpage: [www.gasolfyllarna.se](http://www.gasolfyllarna.se)

# If you have a legitimate reason you will get a handicap parking card and you can take the car up to the range and park there (or close to the stages). Ask for a handicap card at the registration.

# There is internet and phone connection in the area. But depending on your phone company it can be all from bad to good.

# There will be NO electricity for ANY campers. Vendors that need electricity will be provided with that.

# If you ask for it, we can put up a military tent for those who do not have other plans for accommodation and would like to sleep at the range. Bring your own stuff like bed/madrass +++ all you might need while there.

# There will be food trucks on the campground.  
Here is some info about them:

We are devoted to bringing street food to another level.

We make food from the ground, ecological, locally produced and use only Fair Trade products.

We aim to bring our hearts into every single moment of the food making process. We produce homemade dishes with that little extra.

We want to give people as "Extra Löving"

We take care of our environment and sort out all trash. We also recycle waste.
