## Hogyan írjunk pontokat

Ha a lövőknek ugyanannyi pontjuk van, akkor a tizedesvessző után nullát kell írni, utána pedig egy számot, ahol több találat volt. (Itt több 9 volt)

The screenshot shows a mobile application interface for a shooting competition. The top status bar displays the time 12:31 and the date 5. 12. (12:31 5. 12.). The app title is "Coachmand Kid, Stage 1 - Long Range NCT Single Shoot". Below the title is a search bar with the placeholder text "Search by alias, name or SASS...". The main content area is divided into two columns. The left column lists participants and their scores: "Coachmand Kid" with a score of "-", "Colorado Frank" with a score of "85,00", and "Blacksmith" with a score of "99,00". The right column shows a numeric keypad overlay with the score "85,09" entered into a text field. The keypad has buttons for digits 0-9, a decimal point, a clear button (C), and a back arrow. A red arrow points from the top of the keypad to the text field.

Posse	Stage 1	Stage
Coachmand Kid		-
Colorado Frank		85,00
Blacksmith		99,00

# Speed Guns

Itt két szakasznak kell lennie

The screenshot displays the Speed Guns app interface, split into two panels. The left panel, titled 'New match', shows a menu with sections: 'STAGES' (Stage 1, Stage 2, Add new Stage), 'SHOOTERS AND POSSES' (Shooters, Posse 1, Add new Posse, Add Wildcard group, Add Shooters from Group), 'TEAMS / COMPARING GROUPS' (Add new Team), and 'TOOLS' (Copy the Match, Copy the Match with Scores). A red arrow points from the top of this panel to the right panel. The right panel, titled 'Shooters posse select', features a search bar, filter buttons ('All', 'In match', 'Not in match', 'In championship'), and a list of shooters with their categories. Two red arrows point to the 'Smokeless' category labels next to 'Colorado Frank' and 'El Heckito'. A red text box with an arrow points to these labels.

**Kategóriát választunk a lövészeknek (lehetőség van több kategória kiválasztására de csak nagy versenyeken)**
